

# V-580 CUT SHEET CUTTER

The V-580 is uniquely designed to handle cut sheet forms generated from a digital copier or printer. The V-580 automatically feeds the forms and cut, slit, or perforates in the desired position. The quality-engineered feeding and cutting system of the V-580 delivers precise and razor sharp edges on every finished piece, making it ideal for checks, coupons, notices, tickets, and labels.

- The easy-to-understand control panel provides the operator with helpful word prompts for effective and efficient operation.
- Self-setting out-of-paper, jam, and interlock safety cover detection system.
- Adjustable feeding pressure lever accommodates for different paper weights.
- Counter keeps track of number of forms fed and every piece cut.
- Pre-programmed for cutting six popular paper sizes including:
  - 8.5" into 1, 2, 3, or 4 even cuts
  - 11" into 1, 2, 3, 4, or 5 even cuts
  - 14" into 1, 2, 3, 4, 5, or 6 even cuts
- 100 memory selections available for random custom cutting applications.
- Optional slitters, perforators, and belt conveyor stacker
