### WIDMER MODEL T-3

Time stamp is versatile, featuring high quality, clean crisp imprints. It is compact and offers a wide variety of desirable features.

This unique, modern time stamp features a distinctive two tone, light and dark gray finish that will complement the décor of any office. The digital time display can be synchronized with the time print mechanism.

**Instant trigger operation – you just insert the paper.**  
**Quick ribbon change – no mess.**

**A new, open throat and finger indent case feature** allows for a greater accessibility; documents of letter size or small tickets can be inserted with ease. The depth of the throat can be adjusted to allow a selection of imprint locations. Stamping pressure can be electronically increased when needed to penetrate through multi-part carbon and non carbon forms. Inscriptions can be both above and below the time and date
